## World Series of Golf(R) Renews Presenting Sponsor and Host Resort Agreements

The World Series of Golf(R) (BULLETIN BOARD: WSGFE) today announced it will continue strategic relationships with both the presenting sponsor and host casino property of its namesake event in 2009. FullTiltPoker.Net ([www.fulltiltpoker.net](http://www.fulltiltpoker.net)) will, for the second consecutive year, serve as presenting sponsor of the FullTiltPoker.Net World Series of Golf; The Mirage ([www.mirage.com](http://www.mirage.com)) will remain the event's host casino property for the third consecutive year.

The Las Vegas Paiute Golf Resort ([www.lvpaiutegolf.com](http://www.lvpaiutegolf.com)) will return as the amateur-only tournament's home course. The FullTiltPoker.Net World Series of Golf ([www.worldseriesofgolf.com](http://www.worldseriesofgolf.com)), which combines the skill of golf with the wagering savvy of no-limit hold'em poker, will be held May 11-14. The winner will receive a cash prize of \$300,000.

"We're thrilled to continue our proud association with FullTiltPoker.Net, The Mirage and Paiute," said World Series of Golf President Terry Leiweke. "Our shared commitment to a best-in-class player experience has been instrumental in the continuing growth of our event and its appeal to an increasing number of sports and gaming enthusiasts around the world."

The presenting sponsor, host resort and home course agreements follow on the heels of the World Series of Golf's new television deal with WGN America; the 2009 television package will magnify the tournament's presence in more than 71 million homes nationwide.

The World Series of Golf is open to all amateur golfers age 21 and older. The proprietary method of play ([www.worldseriesofgolf.com/overview.aspx](http://www.worldseriesofgolf.com/overview.aspx)) incorporates a \$10,000 entry fee. Players ante at each tee box; after teeing off in a pre-determined order, they have the option to call or raise the bets of competitors in their pairing, or to fold the hole. Players who fold lose any bets they have committed to the pot and rejoin play on the next tee.

Players who remain in the action continue to bet prior to each subsequent shot, building the pot as they move from the tee to the green. The player who wins the hole -- either by stroke count or by forcing his or her competitors to fold -- wins the pot.

Players are eliminated when their \$10,000 purse is exhausted or so depleted they cannot pay the ante on the next tee. Players who win their initial pairing advance to the tournament's second round and recoup their \$10,000 buy-in. Players who win their

second-round pairing advance to the final round and are guaranteed a cash prize of at least \$30,000. The winner of the event receives a cash prize of \$300,000.
